

NICASIO SCHOOL DISTRICT

Board Policy

Series 5000: Students

BP 5117

INTERDISTRICT ATTENDANCE

The Governing Board believes that children should attend elementary schools where they live and supports the concept of neighborhood schools. Students residing outside of the Nicasio School District boundaries may only attend Nicasio School by obtaining an approved Interdistrict Transfer (“IDT”). As a Basic Aid District, the Nicasio School District does not receive additional state funding sufficient to support the cost of students who attend Nicasio School as IDTs. Accordingly, the District will approve IDTs only under exceptional circumstances where such approval would be in the best interests of the student and the school as determined by the Governing Board.

Interdistrict Attendance Agreements

The governing Board may consider interdistrict transfer requests on a case-by-case basis.

Each approved interdistrict transfer request shall be reviewed annually and shall stipulate the terms and conditions under which interdistrict attendance shall be permitted or denied. (Education Code 46600)
