SCHOOL-SPONSORED FIELD TRIPS

Educational field trips shall be planned with clear instructional objectives determined by the teacher in advance. Appropriate instruction shall both precede and follow each trip to ensure meaningful integration into District curriculum.

Procedures

The classroom teacher is considered the primary supervisor and lead chaperone for his/her classroom's field trips. As such, the teacher is responsible for ensuring that all District procedures for field trip planning are followed to ensure a safe and successful experience for students and adults participating on the field trip.

1. A teacher planning to take a local, day trip shall make a request in writing using the form Field Trip Proposal (6153A). The proposal shall be submitted to the Principal at least 10 school days prior to the desired departure date. Whenever possible, an alternate date should be included.
2. A teacher planning to take an overnight, out-of-state, or out-of-country year-end field trip shall make a request in writing using the form Field Trip Proposal (6153A). The proposal shall be submitted to the Board for review at the November Board Meeting.
3. No student shall be denied the opportunity to take part in any school-sponsored field trip due to an inability to pay for admission fees, lunches, or any other costs. No student shall be required to pay the costs of transportation, admission fees, or any other costs related to educational field trips that are conducted during the normal school day.
4. Classrooms may hold fundraising events and/or collect contributions. All fundraising proceeds and contributions shall be given to the District office for deposit. Teachers must have sufficient funds in their fundraising accounts prior to making requests for payment to field trip vendors. Requests for payment to a vendor must be submitted to the District office at least 10 school days prior to payment deadline. Teachers should make every effort to coordinate fundraising events with the school calendar and Foundation events.
5. Written approval of parent or guardian is required for participation of students on field trips (form 6153B for local day trips; form 6153C for overnight, out-of-state, or out-of-country trips). Field trip permission forms should not identify a specific vehicle or driver to be used for the trip as this would not allow for flexibility or any last minute changes. Method of transportation indicated should be generic, such as "private vehicle".
6. Each student must sign a Field Trip Behavior Contract for Students (form 6153E) prior to attending school-sponsored field trips. The contract may be signed once at the start of each school year and used throughout the remainder of the school year. However, teachers shall review this contract with students prior to each trip. Teachers may submit variations of this contract that are field trip specific to the Principal for approval.

7. All field trips shall begin and end at the school.
8. Teachers or other certificated personnel shall accompany students on all field trips and shall assume responsibility of their proper conduct. Students on approved field trips are under the jurisdiction of the Board and are subject to school rules and regulations.
9. Appropriate educational experience and proper supervision shall be supplied at school for any students whose parents do not wish them to participate in a field trip.
10. Prior to overnight, out-of-state, or out-of-country trips, teachers shall hold an orientation meeting for classroom parents and students, at which time they shall discuss the importance of safety-related rules for the trip. The Principal or designee shall be informed of such meetings in advance and have an opportunity to contribute to the meeting's agenda.
11. Prior to the trip, teachers shall provide any adult chaperones with clear and specific information regarding their responsibilities. Teachers shall collect a signed Field Trip Behavior Contract for Chaperones (form 6153F) prior to departure from each attending chaperone or driver.
12. Chaperones shall be 25 years of age or older.
13. Chaperones shall be assigned a prescribed group of students and shall be responsible for the continuous monitoring of these students' activities.
14. District staff and chaperones shall not consume alcoholic beverages or use controlled substances while accompanying and supervising students on a trip.
15. Before students may be transported in any privately owned vehicle, the driver of each vehicle must complete and sign a Field Trip Driver Information form (6153D). These forms must be kept in the District office and must be updated annually.
16. Prior to departure of any field trip, the teacher is responsible for ensuring that the District office has received the following completed documents:
 - a) Parent-Signed Field Trip Permission & Medical Authorization Form (6153B or C)
 - b) Signed Field Trip Behavior Contract for Students (6153E)
 - c) Signed Field Trip Behavior Contract for Chaperones (6153F)
 - d) Field Trip Check List (6153G)
 - e) Field Trip Driver Information Form (6153D) for each driver
17. On the day of each field trip, the teacher must submit the classroom attendance report to the office before departure.

Frequency and Duration

An average of one field trip (or less) per month per classroom is an acceptable number with respect to local day trips.

Overnight Year-End Field Trips

Teachers may elect to organize one overnight year-end field trip using the following guidelines:

- primary – no overnight trips are permitted
- elementary – no more than 3 nights
- middle school – no more than 4 nights

When planning overnight year-end field trips, teachers shall use the following guidelines when requesting monetary contributions from families:

- primary – not applicable
- elementary – no more than \$200 per child
- middle school – no more than \$300 per child

The total cost of a field trip shall represent all related expenses pertaining to both students and accompanying adults (lead teacher and chaperones), including meals, lodging, entrance fees and other miscellaneous expenses. (BP 6153)

If the cost of an overnight field trip exceeds the guidelines for per child contribution, the teacher may be required to submit a modified proposal to the Board. Excess costs may be offset by fundraising activities or other contributions.

Employee Chaperone Stipend

If a homeroom teacher elects to organize and participate in an overnight year-end field trip using the guidelines above, he/she will receive a stipend in the amount of \$100 per night. Any other employees who are required to attend shall also receive an equivalent stipend per night.

Swimming or Wading

1. No swimming or wading shall be allowed on field trips unless planned and approved in advance.
2. When wading in the ocean, bay, river or other body of water, there shall be adequate supervision to ensure student safety. Chaperones and students shall both be instructed about the real and potential risks inherent in such activities and the precautions necessary for their safety.
3. Swimming & Wading Activities
 - a) Parents/guardians must provide written permission for the student to attend/participate in a swim activity.
 - b) No school sponsored swim parties are permitted at private residences.
