Nicasio School
2021 School Accountability Report Card

General Information about the School Accountability Report Card (SARC)

SARC Overview	By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC. For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at www.cde.ca.gov/ta/ac/sa/ For more information about the LCFF or the LCAP, see the CDE LCFF web page at www.cde.ca.gov/fg/aa/lc/ For additional information about the school, parents/guardians and community members should contact the school principal or the district office.
DataQuest	DataQuest is an online data tool located on the CDE DataQuest web page at dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).
California School Dashboard	The California School Dashboard (Dashboard) www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.
Internet Access	Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2021-22 School Overview

OVERVIEW

Nicasio School serves approximately 40 students in grades K-8. Students learn in multi-grade classrooms with highly skilled teachers and support staff who prepare them for transition to high school and life outside of Nicasio's rural community. While many graduating 8th graders attend Archie Williams High School in San Anselmo, many others attend private high schools in Marin County and San Francisco.

Nestled in the heart of Marin County, California, Nicasio School is one of the few remaining single-school public school districts in Marin. The district itself was established in 1862 with the first Nicasio schoolhouse constructed in 1867.

Nicasio School has changed dramatically since the late 1800s. Thanks to voters supporting a $2.4 million school bond in 1999, today's campus is comprised of modern facilities. In addition to large classrooms, students at Nicasio School have access to the school's library, art room, up-to-date technology, and a multi-purpose room equipped with a stage and full kitchen. The Nicasio School Foundation supplies funds to provide enrichment programs school-wide such as visual arts, performing arts and music in addition to supporting required curriculum, such as physical education. Having the advantage of a rural environment, students also enjoy working in the school's garden with support from their teachers along with parent and community volunteers.

VISION STATEMENT

Nicasio School prepares students to excel in high school and in life by attracting and maintaining outstanding teachers who deliver a stimulating curriculum through innovative instructional methods. Working with parents and the community, we support all students in reaching their full potential academically, physically, and emotionally by providing a safe and nurturing environment.

MISSION STATEMENT

Benefiting from its unique rural setting, strong sense of community and distinguished history, Nicasio School will educate children to value learning, act with integrity, live a healthful life, and participate as responsible citizens both globally and locally.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: For more information refer to the Updated Teacher Equity Definitions web page at https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

School Facility Conditions and Planned Improvements

The administrative team ensures that the school's facilities are clean, safe, and in good working order on a regular basis. Annually, a facility inspection is conducted by the administrative team using a facility survey template developed by the State of California Office of Public School Construction. In addition, a representative from Keenan Insurance completes a walk-through each spring and provides his/her findings to the district office. The Marin County Fire Department also completes an annual inspection. From these three reports, the administrative team develops and prioritizes a list of action items.

Much of the Nicasio School campus was constructed in 2000 with pre-existing buildings receiving a full remodel at the same time. As such, the various buildings are in good condition both inside and out.

Recent facility improvements include:
- Installation of MERV-13 air filters in all buildings
- Replacement of window panes in classrooms as necessary

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments
(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

SARC Reporting in the 2020-2021 School Year Only
Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

Options
Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative test suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

The 2020-2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-2021 school year to other school years.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2021-22 Opportunities for Parental Involvement

Nicasio School provides for the involvement of parents and community through a variety of opportunities. Due to the COVID-19 pandemic, visitors and volunteers are limited on campus during the 2021-22 school year. However, parents participate in various volunteer jobs that do not require a physical presence on campus, which include assisting with learning as coordinated

2021-22 Opportunities for Parental Involvement

by the classroom teacher, and participating in virtual and in-person parent committee meetings (Parent Club/Nicasio School Foundation, LCAP Parent Advisory, School Site-Specific Protection Plan committee). Principal's Chats are held monthly and provide a forum for parents to gain information about academic and extracurricular programs and events, as well as encourage community-building and family engagement. Parents also volunteer through Parent Club and Nicasio School Foundation (www.nicasioschoolfoundation.org), which sponsors several fundraising activities throughout the year. Funds raised provide a number of enrichment programs school-wide such as visual arts, performing arts and music in addition to supporting required curriculum, such as physical education. Supplemental supplies and materials as well as campus maintenance are also generously donated by parents in the community.

Parents are invited and encouraged to participate in a school climate survey on an annual basis. In addition, a Parent Advisory Committee is formed annually to provide feedbak for the development of the Local Control Accountability Plan (LCAP). Their input provides the administrative team and school board with valuable information that helps drive decisions related to curriculum, enrichment programs, student support programs, issues related to school climate, school grounds, etc.

Critical information is communicated to parents in a variety of ways such as school and district electronic newsletters (print versions available as necessary), website postings, email, text messages and telephone (voicemail). Our school parent liaison facilitates the inclusion of our Spanish-speaking families through outreach and as well as providing all school communication in Spanish.

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-2020 suspensions and expulsions rate data are not comparable to other year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to other school years.

2021-22 School Safety Plan

In September 2021, a staff review of the Nicasio School District Comprehensive School Safety Plan was conducted and reported to the Marin County Board of Education. The comprehensive Nicasio School Emergency Management Plan is a personalized version of the plan developed by Marin County Office of Education. This plan, which addresses mitigation, preparedness, and response and recovery is located in the school office and available to all teachers and staff as a resource. This plan was reviewed with school faculty in September 2021.

In the 2017-18 school year, Nicasio School adopted a new Emergency Communication System, School Messenger, that allows school administration to rapidly communicate with staff and families in the event of an emergency via phone call, text message and email. This system is tested annually in October. In addition, Nicasio School District has been included in the county-wide Marin Emergency Radio Authority network. The district has purchased and been trained in the operation of the disaster radio and participates in regularly scheduled drills.

Emergency backpacks and 72-hour shelter-in-place kits are located throughout the campus in: all classrooms, the library, the multi-purpose room and the school office. Each emergency backpack comes equipped with: a first aid kit, first aid procedures, the master schedule, student roster, an emergency contact tree, and directions for emergency situations (fire, earthquake, lockdown, etc.).

At the start of each school year, emergency backpacks are inspected and updated. Periodic updates are made throughout the year with changes in student enrollment, the master schedule, etc.

All doors throughout the campus have been equipped with interior lockdown levers that allow teachers and staff to secure themselves inside the buildings behind locked doors without having to step outside to lock them.

Emergency drills (fire, earthquake, lockdown, emergency student release) are practiced by teachers, staff and students on a monthly basis. Local law enforcement is invited to participate in drills and provide feedback. Teachers and staff review and

2021-22 School Safety Plan

update procedures and outcomes from practice drills during monthly staff meetings.

Teachers and staff receive CPR and First Aid training on a biennial basis and were last trained in October 2021.

2020-21 Types of Services Funded

All student programs and services take place within the regular school day. General education services are provided to students in grades K-8. In addition to providing academic curriculum in all core subject areas, enrichment classes such as visual arts, performing arts, music and physical education are offered weekly and are generously funded by the Nicasio School Foundation.

Special education services (resource specialist, speech and language specialist, psychologist) are supported on the school's campus by part-time personnel assigned by the Marin County Office of Education. The district also contracts with outside agencies/individuals for additional services in counseling and occupational therapy as needed. For students who have special needs that exceed the available services/programs provided on campus, the district arranges for the appropriate placement, services, and transportation to other schools (public and non public) outside the district.

Students designated as English Language Learners receive integrated English language instruction from their classroom teacher during the school day as well as designated English language instruction and support provided by qualified school staff.

Professional Development

Teachers and staff participate in professional development activities primarily by three methods:

1) Off campus workshops, conferences, etc.The majority of off-campus opportunities take place at or through Marin County Office of Education. The focus of these workshops depends on the individual areas of interest and need of teachers and staff, which are determined by surveys, observations, and performance evaluations and state adoption cycles. Due to the COVID-19 pandemic, these workshops were held virtually during the 2021-22 school year.

2) On campus workshops scheduled during the District's three annual professional development days. Workshops generally focus on curriculum/instruction, social/emotional learning for students and emergency/safety preparedness. Some workshops are organized and presented by employees while others are led by outside organizations (e.g., Restorative Practices, on-line learning and digital resources). In addition, the district's Data Inquiry Team meets three times per year (Fall, Winter, Spring) to analyze student achievement data, with a focus on reading and math benchmark assessment results.

3) Weekly Professional Learning Community (PLC) meetings on campus. Certificated teachers meet weekly as a group to focus on curriculum, instruction, and data analysis with particular focus on intervention strategies for struggling students. During the 2021-22 school year, particular emphasis was placed on effective strategies for mitigating student learning loss due to the COVID-19 pandemic and social-emotional support for students and staff.

The primary areas of focus for staff development are:
Curriculum development/state adoption cycle
Instructional practices with emphasis on English Language Learners and mitigation of learning loss
Social/Emotional learning for students
Intervention strategies for students at risk
Emergency preparedness and safety
Equity and family engagement

During implementation of new professional development concepts, teachers and staff are supported through peer/colleague collaboration, teacher-principal meetings, and student performance data.

New teachers are provided continuous support through the Marin County New Teacher Induction Program. One teacher participated in 2018-19 and 2019-20 school year.

This table displays the number of school days dedicated to staff development and continuous improvement.

2020-21 Local Accountability Report Card (LARC) Addendum

Local Accountability Report Card (LARC) Addendum

2020-21 Local Accountability Report Card (LARC) Addendum Overview

On July 14, 2021, the California State Board of Education (SBE) determined that the California Department of Education (CDE) will use the SARC as the mechanism to conduct a one-time data collection of the LEA-level aggregate test results of all school's local assessments administered during the 2020–2021 school year in order to meet the federal Every Students Succeeds Act (ESSA) reporting requirement for the Local Educational Agency Accountability Report Cards (LARCs).

Each local educational agency (LEA) is responsible for preparing and posting their annual LARC in accordance with the federal ESSA. As a courtesy, the CDE prepares and posts the LARCs on behalf of all LEAs.

Only for the 2020–2021 school year and the 2020–2021 LARCs, LEAs are required to report their aggregate local assessments test results at the LEA-level to the CDE by populating the tables below via the SARC. These data will be used to meet the LEAs' federal requirement for their LARCs. Note that it is the responsibility of the school and LEA to ensure that all student privacy and suppression rules are in place when reporting data in Tables 3 and 4 in the Addendum, as applicable.

The tables below are not part of the SBE approved 2020–2021 SARC template but rather are the mechanism by which these required data will be collected from LEAs.

For purposes of the LARC and the following tables, an LEA is defined as a school district, a county office of education, or a direct funded charter school.
