Dear Nicasio Families,

Thank you for attending our Back to School Night last week! It was wonderful to see new and returning faces. Special thanks to Esme R. and Krystal A. who oversaw the childcare in the library. Also, thank you to Marin County Free Librarians Jennifer, Mary Anne and Simon for providing interesting activities. It was great to welcome Nicole Ramirez, who provided information and registration packets for after school programs at the San Geronimo Valley Community Center. The shuttle between Nicasio School and the SGVCC began this week, and it was wonderful to see so many families take advantage of this great opportunity. If you are interested in learning more about the SGVCC programs, please visit [www.sgvcc.org](http://www.sgvcc.org) and click on the Youth Programming tab.

This morning we had our first monthly Principal's Chat in the library. Thank you to all who took time out of your busy mornings to attend. This is really meant to be a time to connect, enjoy a cup of coffee, and hear about upcoming events in our school community. If you were not able to attend, don't worry... our next one is scheduled for October 24th at 8:20 am. Spanish translation will be provided.

Next Wednesday will be our all-school assembly at 1:30 pm in the library. We will give awards to students who exemplified our September life skill, as well as introduce our October life skill, *initiative*. All are welcome to join us!

Please save the date for some very important events in October. Our annual Walk-A-Thon will be Thursday, October 10<sup>th</sup>. This is a fundraiser for the Nicasio School Foundation and contributes directly toward the programs your children love, such as art, performing arts, Spanish and PE. Please help your students gather those pledges!

Also, on Saturday October 12<sup>th</sup>, the Foundation and Parent Club are hosting a picnic and movie night in the square. This is a fun, community-building event meant for all ages. Tell your friends and neighbors. Please visit [www.nicasioschool.org](http://www.nicasioschool.org) to find our online volunteer sign-up for these upcoming events. We need your help to make them successful!

All the best,

Barbara

Dear Nicasio School Parents,

We would like to invite all parents interested in supporting the school fundraising projects to join us for our first Nicasio School Foundation meeting September 30 at 3:15 at Rancho Nicasio.

NSF organizes yearly community donation mailers, develops grants, and organizes the spring fundraiser dinner dance. Even if you don't have a lot of time to contribute every person involved helps. Spanish speaking families are encouraged and welcome.

Hello Nicasio School Families!

The students are off to a great start as they rehearse every Wednesday in Performing Arts class. This year's Winter Performance will be an all school performance of Aladdin Jr. I am thrilled to direct our fall production and hope you enjoy all of the singing that will hopefully take place in your home as a result.

Please find attached to this note the link to all of the music, rehearsal and performance. Like all learning experiences, repetition is key. I would suggest downloading the music to your phone, home computer or anywhere where your child(ren) will have access to it. If you do not have access to the music files, please let me know.

<https://drive.google.com/drive/folders/1VdCupw99Z6edHsk-RnjNCGAkIw-kEcjn>

Please make sure your child(ren) bring their scripts every Wednesday. All of their parts are highlighted in their scripts, so they are aware of what they need to study.

If you have any questions, please feel free to contact me.

See you in the theatre (MPR),  
Ms. Monica

¡Hola Familias en la Escuela Nicasio!

Los estudiantes han tenido un gran comienzo mientras ellos ensayan cada miércoles en la clase de Artes Escénicas. Este año la presentación en el Programa de Invierno será Aladino Jr. con todos los alumnos en escena. Estoy encantada de dirigir nuestra producción y espero que ustedes disfruten de todas las canciones que estarán en sus casa como resultado de los ensayos.

Adjunto a esta carta, Usted puede encontrar el enlace para la música, ensayos y presentación. Como experiencia de aprendizaje, la repetición es muy importante. Les sigiero bajar la música en su teléfono, computadora en casa o cualquier otro aparato en el que su hijo o hija tenga acceso. Si Usted no tiene acceso a los archivos con la música, por favor hágamelo saber.

<https://drive.google.com/drive/folders/1VdCupw99Z6edHsk-RnjNCGAkIw-kEcjn>

Por favor asegúrese de que sus niños traen sus guiones a la escuela cada miércoles. Las partes de cada uno están resaltadas con color en los guiones, así ellos saben lo que necesitan estudiar.

Si tiene cualquier pregunta, siéntase en la libertad de contactarme.

Los veo en el teatro (SUM),

# WILDFIRE EVACUATION CHECKLIST

If evacuation is anticipated and time allows, follow this checklist to give your family and home the best chance of survival. Complete the Family Communication Plan on the opposite side for each family member and keep in your "Go Kit(s)."

**ALERT MARIN:** Register for emergency notifications at [www.alertmarin.org](http://www.alertmarin.org) to receive evacuation notices by email, phone, or text. Evacuation notices sent through Alert Marin will use the following terminology:

## EVACUATION ORDER

Leave now! Evacuate immediately, do not delay to gather valuables or prepare your home. Follow any directions given in the evacuation order.

## EVACUATION WARNING

Evacuate as soon as possible. A short delay to gather your Go Kit and prepare your home (see below) may be ok. Leave if you feel unsafe.

## SHELTER IN PLACE

Stay in your current location or the safest nearby building or unburnable area. May be required when evacuation is impossible, too dangerous, or unnecessary.

## ON YOUR PERSON

- ☐ Dress all family members in long sleeves and long pants - heavy cotton or wool is preferable no matter how hot it is.
- ☐ Wear leather gloves, head, and eye protection - full coverage goggles are best.
- ☐ Cover your face with a dry bandanna or (cotton or wool) scarf over an N95 respirator.
- ☐ Carry a headlamp and flashlight (even during the day), cell phone, and spare battery.
- ☐ Carry car keys, wallet, and ID on your person.
- ☐ Drink lots of water and stay hydrated.
- ☐ Put your "Go Kit" in your vehicle.

## PETS & ANIMALS

- ☐ Locate your pets and place in carriers NOW. You will not be able to catch them when the fire approaches.
- ☐ Be sure your pets wear tags and microchips.
- ☐ Place carriers (with your pets in them) near the front door, with fresh water and extra food.
- ☐ Prepare horses and large animals for transport and consider moving them to a safe location early, before evacuation is ordered.

## INSIDE THE HOUSE

- ☐ Shut all windows and doors (interior too) and leave them unlocked.
- ☐ Remove combustible window shades and lightweight curtains; close metal shutters.
- ☐ Move furniture to the center of the room, away from windows.
- ☐ Shut off gas at the meter or propane tank; turn off pilot lights.
- ☐ Leave indoor and outdoor lights on for firefighters.
- ☐ Shut off air conditioning and house fans.

## OUTSIDE & IN NEIGHBORHOOD

- ☐ Gather up combustible items outside the house (patio furniture, children's toys, door mats, trash cans, etc) and place in garage or move them at least 30' from structures (optionally: place in your pool).
- ☐ Close propane tank valves. Move small tanks away from structures.
- ☐ Connect garden hoses to outside water valves or spigots for use by firefighters. Attach squeeze-grip nozzles if you have them.

- ☐ Fill water buckets and place them around the outside of house, especially near decks and fences. Don't leave sprinklers on or water running - they are ineffective and can reduce critical water pressure for the entire neighborhood.
- ☐ Hosing your roof down is dangerous and ineffective. Clean your gutters and blow leaves away from house instead (only if time allows).
- ☐ Back your car into the driveway so it is facing out, with vehicle loaded and all doors and windows closed.
- ☐ Unlock and prop open fence and side gates.
- ☐ Place ladder(s) at the corner(s) of structures for firefighters.
- ☐ Seal attic and ground vents with pre-cut plywood or metal covers.
- ☐ Patrol your property and monitor the fire situation.
- ☐ Don't wait for an evacuation order if you feel threatened.
- ☐ Check on or call neighbors and make sure they are aware and preparing to leave.
- ☐ Assist elderly or disabled neighbors.
- ☐ Carpool to reduce traffic when evacuating!

## WILDFIRE & EMERGENCY "GO KIT"

Put together an emergency supply kit in advance and keep it easily accessible. Plan to be away from your home for an extended period of time. Each person should have their own Go Kit. Backpacks work great for storing these items.

## **Emergency Communication Systems**

### **School Messenger**

Nicasio School uses an emergency communication system, School Messenger, to communicate with families in the event of an emergency. This system allows communication via phone call, email, and text message. We will conduct our annual test of this system in October. Please be sure your contact information is up to date in the main office.

### **Alert Marin**

Alert Marin is an emergency communication system from the Marin County Sheriff's Office. Follow this link to register for alerts:

<https://www.marinsheriff.org/services/emergency-services/alert-marin>

### **Nixle**

Nixle is an emergency communication system for residents of an area (determined by zip code) that will immediately notify users during emergency incidents. To register, visit:

<http://www.nixle.com/>

### **Twitter**

Follow organizations such as Marin County Sheriff (@MarinSheriff), CHP Marin (@CHPMarin), and The West Marin Feed (@WestMarinFeed) for up-to-date information during an emergency.
