Dear Nicasio Families,

October 3, 2019

Many of you have asked how you can support our much-loved teacher, colleague and friend Colin Williams. His battle with cancer has brought many challenges, and this week we have reinstated a Meal Train for Colin and his wife, Marla. Please see the email sent from Mikki on Monday or click [here](#) for the details. This information can also be found on our school website. I encourage you to share far and wide with the greater Nicasio community, as Colin has touched the lives of so many during his 16 years of teaching.

For anyone who is inclined to provide financial support for the purchase of takeout meals, groceries, or to help with mounting medical and living expenses, donations are being accepted at school, and will be hand-delivered to Colin and Marla. Cash, gift card donations (e.g. Whole Foods, Petaluma Market and Visa), and checks (made out to **Colin Williams** or **Marla Steele**) can be brought to the office or mailed to: **Nicasio School, PO Box 711, Nicasio, CA 94946**. In addition, a GoFundMe account will be set up on their behalf soon. We will share that link as soon as it is available.

Do you have a green thumb? Then we need YOU to help our students and staff maintain our sweet school garden. Usually our garden is in full-swing by now, but due to several factors, including Colin's absence, we have not been able to get up and running. We would appreciate any time you can donate either prepping the garden beds, weeding, purchasing plants or coordinating with teachers. Thanks!

Our Walk-A-Thon is coming on Thursday, October 10th! This is a fundraiser for the Nicasio School Foundation and contributes directly toward the programs your children love, such as art, performing arts, Spanish and PE. Please help your students gather those pledges! Prizes will be awarded to students for gathering the most pledges and for completing the most laps. Would you like to help during the Walk-A-Thon? Please visit the online sign-up at www.nicasioschool.org

Also, mark your calendar for a **Fall Picnic and Movie Night in Nicasio Square on Saturday October 12th**. This is a fun, community-building event meant for all ages. Tell your friends and neighbors. *Again, please visit www.nicasioschool.org and sign up to help.* Thank you to the Parent Club and Foundation for organizing!

Finally, a friendly reminder that **this Friday (October 4th)** students will be dismissed at **1:30 pm**. The teachers and I will spend the afternoon reviewing assessment data and discussing student progress.

All the best,

Barbara

The Nicasio School Foundation is sponsoring the 16th annual Walk-a-thon for the Nicasio School community. The donations collected as part of this event will be used to support Performing Arts, Art, Spanish, P.E. and classroom field trips. Students will be collecting donations toward their goals. Each walker should strive for at least ten donors of \$10 each to arrive at our school goal. Donations need to be collected at the time of solicitation and turned in on the day of the Walk-a-thon. This is an excellent opportunity to extend our fundraising efforts outside our community to reach out to extended family and friends.

We are looking for a few Parent volunteers to help with the preparation of drinks and snacks as well as course set up for the Walk-a-thon. Volunteers should arrive at 1 p.m. on the day of the event for prep work. The event starts at 2p.m. Volunteers will assist in counting laps, providing drinks, snacks, and other aid as needed. Please sign up in the Office if you can help for this event.

ONLY DONATIONS TURNED IN BY WALK-A-THON DAY WILL QUALIFY FOR PRIZES!!!

Prizes will be awarded to the following:

-  Student with most dollars (in each classroom) = Revolutionary 9 Fairfax Store Gift Certificate
-  Student with the most donors (in each classroom) = Five Little Monkeys Toy Store Gift Certificate (852 Grant Ave, Novato, Novato)
-  Student who walks the most laps (in each class) = The Sweet Zone Candy Store Gift Certificate (151 Petaluma Blvd S Suite #113, Petaluma)
-  The classroom in which collects the most dollars. To keep this fair, we will average the total dollars in each classroom and divide by the number of students in the classroom. The winning class will celebrate with a Super Sundae Ice Cream Party.

The Nicasio School Foundation will sponsor drinks and snacks. Please join us in the fun! 😊

Fentanyl Overdose Health Alert

Dear Parents:

This letter is to inform you about a concerning trend in overdoses related to fentanyl in the Bay Area that reached Marin County last week. Marin County Public Health has issued an advisory to healthcare providers after regional law enforcement agencies seized a large number of counterfeit 30-milligram Percocet pills that contain fentanyl – not oxycodone hydrochloride – as their sole active ingredient.

The tablets visually appear to be the pharmaceutical version—circular in shape, light blue in color, with an “M” stamped on one side and a “30” on the other side. Opioid overdoses tied to these tablets have increased since August 2019 across the region, including one case in Marin County last week.

Fentanyl is 80 to 100 times more potent than morphine and 40 to 50 times more potent than heroin.

Counterfeit Percocet containing fentanyl

Fentanyl can have serious, even fatal consequences if used inappropriately.

How You Can Help

1. Talk with your children and alert them to the current risk. Remind them to only take pharmaceutical pills prescribed by their physician, and only take them as directed. Do not share or sell medicines and do not buy medications not prescribed to them. When in doubt about a pharmaceutical, reach out and ask your doctor.

2. If you think a loved one is experiencing challenges with substance misuse and abuse contact the 24/7 Mental Health and Substance Use Access and Assessment Hotline (888-818-1115).

3. Clean out your medicine cabinet regularly. Dispose of unused and expired medications at one of Marin County's safe disposal locations. Visit www.RxSafeMarin.org to find a location near you.

4. If you're concerned someone in your life may be at risk for an opioid overdose, carry the overdose reversal medication naloxone (Narcan). Narcan is available without a physician prescription at most pharmacies in Marin.

Thank you for joining us to protect our community.

Sincerely,

Mary Jane Burke

WILDFIRE EVACUATION CHECKLIST

If evacuation is anticipated and time allows, follow this checklist to give your family and home the best chance of survival. Complete the Family Communication Plan on the opposite side for each family member and keep in your "Go Kit(s)."

ALERT MARIN: Register for emergency notifications at www.alertmarin.org to receive evacuation notices by email, phone, or text. Evacuation notices sent through Alert Marin will use the following terminology:

EVACUATION ORDER

Leave now! Evacuate immediately, do not delay to gather valuables or prepare your home. Follow any directions given in the evacuation order.

EVACUATION WARNING

Evacuate as soon as possible. A short delay to gather your Go Kit and prepare your home (see below) may be ok. Leave if you feel unsafe.

SHELTER IN PLACE

Stay in your current location or the safest nearby building or unburnable area. May be required when evacuation is impossible, too dangerous, or unnecessary.

ON YOUR PERSON

- ☐ Dress all family members in long sleeves and long pants - heavy cotton or wool is preferable no matter how hot it is.
- ☐ Wear leather gloves, head, and eye protection - full coverage goggles are best.
- ☐ Cover your face with a dry bandanna or (cotton or wool) scarf over an N95 respirator.
- ☐ Carry a headlamp and flashlight (even during the day), cell phone, and spare battery.
- ☐ Carry car keys, wallet, and ID on your person.
- ☐ Drink lots of water and stay hydrated.
- ☐ Put your "Go Kit" in your vehicle.

PETS & ANIMALS

- ☐ Locate your pets and place in carriers NOW. You will not be able to catch them when the fire approaches.
- ☐ Be sure your pets wear tags and microchips.
- ☐ Place carriers (with your pets in them) near the front door, with fresh water and extra food.
- ☐ Prepare horses and large animals for transport and consider moving them to a safe location early, before evacuation is ordered.

INSIDE THE HOUSE

- ☐ Shut all windows and doors (interior too) and leave them unlocked.
- ☐ Remove combustible window shades and lightweight curtains; close metal shutters.
- ☐ Move furniture to the center of the room, away from windows.
- ☐ Shut off gas at the meter or propane tank; turn off pilot lights.
- ☐ Leave indoor and outdoor lights on for firefighters.
- ☐ Shut off air conditioning and house fans.

OUTSIDE & IN NEIGHBORHOOD

- ☐ Gather up combustible items outside the house (patio furniture, children's toys, door mats, trash cans, etc) and place in garage or move them at least 30' from structures (optionally: place in your pool).
- ☐ Close propane tank valves. Move small tanks away from structures.
- ☐ Connect garden hoses to outside water valves or spigots for use by firefighters. Attach squeeze-grip nozzles if you have them.

- ☐ Fill water buckets and place them around the outside of house, especially near decks and fences. Don't leave sprinklers on or water running - they are ineffective and can reduce critical water pressure for the entire neighborhood.
- ☐ Hosing your roof down is dangerous and ineffective. Clean your gutters and blow leaves away from house instead (only if time allows).
- ☐ Back your car into the driveway so it is facing out, with vehicle loaded and all doors and windows closed.
- ☐ Unlock and prop open fence and side gates.
- ☐ Place ladder(s) at the corner(s) of structures for firefighters.
- ☐ Seal attic and ground vents with pre-cut plywood or metal covers.
- ☐ Patrol your property and monitor the fire situation.
- ☐ Don't wait for an evacuation order if you feel threatened.
- ☐ Check on or call neighbors and make sure they are aware and preparing to leave.
- ☐ Assist elderly or disabled neighbors.
- ☐ Carpool to reduce traffic when evacuating!

WILDFIRE & EMERGENCY "GO KIT"

Put together an emergency supply kit in advance and keep it easily accessible. Plan to be away from your home for an extended period of time. Each person should have their own Go Kit. Backpacks work great for storing these items.
